Julius Perathoner (1849 bis 1926) war nicht ein Teil der Kinseleverwandschaft aber doch zumindest mit einem von ihnen sehr verbunden: Anton Kinsele (1865 bis 1946) arbeitete zusammen mit Perathoner in der gemeinsamen Anwaltskanzlei am Bozner Obstmarkt. Anton Kinsele war auch unter Perathoner Stadtrat in Bozen und blieb sogar nach der Machtergreifung der Faschisten im Rahmen der Möglichkeiten ein politisch agierender Mensch (ihm werden noch einige Beiträge gewidmet werden).

Nachdem Julius Perathoner ganz stark ein (Vorzeige-) Kind seiner Zeit war, das Umfeld der vorletzten Kinsele-Generation auch am Ritten wesentlich beeinflusst hat und zudem erst vor ein paar Tagen der bemerkenswerte Beitrag im RAI Sender Südtirol ausgestrahlt wurde, wollte ich die dessen Aufzeichnung der geschätzten Leserschaft nicht vorenthalten.
