RESTAURIERUNGSBERICHT

Villa Kinsele in Oberbozen

Restaurierung:

Fassade und Innenräume

langgartner
alois
Restaurierung - Restauro
Gestaltung - Dekori

Über die Arbeiten von Alois Langgartner wurde hier schon öfters berichtet (1, 2, 3, 4), hat doch gerade die äußere und innere Farbgebung eines historischen Gebäudes nicht nur einen ästhetischen Wert, sondern ist auch ein wesentlicher Teil der Geschichte der Villa. Mit Alois Langgartner und seinen Mitarbeitern hatten wir ein tolles Team am Bau, das nicht nur mit sehr viel Fingerspitzengefühl punktete – Alois und Andreas haben über Jahre in den Pescoller-Werkstätten gearbeitet – , sondern auch eine besondere Zuverlässigkeit an den Tag legte. Und was mir, auch bei anderen Handwerkern besonders gefiel: sie teilten gerne ihr Wissen mit mir, ich konnte viel in dieser Zeit von ihnen lernen. Anbei auch sein Restaurierungsbericht.
