Woher kommen die vielen Oberbozner Ansichtskarten?

Tatsächlich ist das eine Frage, welche mir des Öfteren gestellt wird. Inzwischen, Stand Oktober 2026, sind es doch an die 200 geworden. Schnell wurde mir zu Beginn des Schreibens an diesem Blog klar, dass Ansichtskarten wichtige Unterstützer sind. Ansichten aus früheren Jahren helfen einserseits, die Sachverhalte zu erklären bzw. Ereignisse zeitlich einzuordnen und andrerseits die Attraktivität der Beiträge deutlich zu erhöhen. Fotografien, besonders aus vergangenen Zeiten, haben eben eine große Anziehungskraft, wahrscheinlich weil sie als getreue Abbildungen wahrgenommen werden.

Eine sehr gute Möglichkeit, um Ansichtskarten zu den verschiedenen Orten und Themen zu finden, sind die Sammlerbörsen. Hier sei speziell auf jene hingwiesen, welche lobenswerterweise von Vereinen wie z.B. der Südtiroler Philatelisten Jugend organisiert werden. Fixtermine in Südtirol sind die LanaPhil und die EppanPhil (Abb. 1), welche übrigens in Bälde wieder stattfindet.
“Was ist die EppanPhil? Die EppanPhil ist eine der wichtigsten Veranstaltungen für Sammler in der Region. Hier finden Sie eine breite Auswahl an Sammlerstücken, die von zahlreichen Händlern und Ausstellern aus der Region und darüber hinaus präsentiert werden. Egal ob Sie kaufen, tauschen oder einfach stöbern möchten – hier kommen Sammler voll auf ihre Kosten.”

Wichtig ist es jedoch, frühzeitig vor Ort zu sein, denn es braucht Zeit, um das Angebot möglichst vollständig nutzen zu können. Viele Aussteller bieten lobenswerterweise ihr Angebot systematisch sortiert an, andere bieten hingegen z. B. nur Regionen als Ganzes an und das bedeutet dann zeitaufwendiges Suchen. Aber wer will sich schon ein wirklich rares Stück durch die Lappen gehen lassen, nur weil man nicht

die Geduld hatte, fünf Schuhkartons auf der Suche nach noch ausstehenden Ritten-Motiven durchzusuchen?

Den größten Teil meine Sammlung habe ich bisher im Netz gefunden und erworben, hauptsächlich weil die Termine der obgenannten Tauschbörsen bis auf ein Mal unbemerkt an mir vorübergingen – was in Zukunft nicht mehr passieren soll!

Delcampe, Bartko & Reher, oldthing und Ebay sind jene Quellen, welche für mich am ergiebigsten waren. Das Tolle daran ist, dass man sich dort abonnieren kann, d.h. ich bekomme jeden Tag, an dem ein Objekt mit einem von mir definierten Stichwort neu zum Verkauf eingestellt wird, eine Mail als Benachrichtigung. Oberbozen, Ritten, Rittnerbahn, auch auf italienisch, sind z.B. jene Begrigffe, mit denen der Algoritmus die an mich gerichteten Vorschläge aussucht.

Webshops mit annäherend großem Angebot wie die oben erwähnten habe ich in Italien und anderen Ländern leider nicht gefunden, bin aber für zweckdienliche Hinweise immer dankbar.

Es kann sich auch lohnen, immer wieder bei den Onlineauktionen von Stade Auktionen oder Dorotheum hinein zu schauen. Bei erstgenannten bin ich z.B. auf den “Fund des Jahres” gestoßen. Diese Ansichtskarte hat übrigens bis heute ihre Exklusivität bewahrt, nie mehr ist mir ein zweites Exemplar untergekommen; und das für 12,32 €, Versand inklusive. Glück muss man auch haben!

Übrigens, vom 26. bis 28. November findet die Veronafil in der Messe Bologna statt. Eine größere Sache, wie man den Mitteilungen entnehmen kann (Abb. 4). Ob ich mir die 200 angekündigten Aussteller entgehen lasse? Wohl eher nicht, Bologna ist ja mittels Zug sehr gut an Bozen angebunden.
